### EUROPROBE News on the WWW

Due to increasing cost and decreasing budget, this will be the last EUROPROBE News distributed to everyone by mail. Starting with this issue, EUROPROBE News will be published on the EUROPROBE homepage, retrievable as PDF file(s). Please check [www.geofys.uu.se/eprobe/newslett.htm](http://www.geofys.uu.se/eprobe/newslett.htm) from Jan. 98 and try to download EUROPROBE News 11. If you have problems let the editor know and we will put you on a mailing list for paper copies.
