How to get Hotel Szieszta

From the Sopron railway station you can reach Hotel Szieszta by bus No 1. (Take the bus in the direction of Löverek; you find the correct stop just in front of the station, 20 m left from its exit. Ticket can be purchased at the bus driver at a price of 120 HUF). The name of the stop you take off the bus: Hotel Maroni. Our hotel, Hotel Szieszta is a nine storey building on the side of the bus stop (on the Southern side of the street).

If you arrive by car, you take the direction of Löverek (the hilly SW part of Sopron). The parking fee at the hotel (a discount price for the PANCARDI 2001 participants) is 500 HUF/day (about 2 euro/day).

Accommodation

The default case is to accommodate two people in a double room. You are kindly asked to inform us before 10 August about with whom you wish to share a room. If you prefer single room, its price is 35 euro/night (breakfast included), so the difference between the single-room and double room accommodation is 12 euro/night/person.
